

Parkinson's UK Receives CAMD Nonprofit Organization Award

Dr. Arthur Roach, Director of Research at Parkinson's UK accepts the first Nonprofit Organization Award from CAMD presented by Dr. Diane Stephenson, Critical Path Institute, at the annual meeting held at FDA on Oct 20th, 2015.

Parkinson's UK is recognized for their leadership in supporting the launch of a fully dedicated consortium aimed at integrating patient level data from Parkinson's disease patients around the world.
